Directions - From the M6

Exit the motorway at junction 31 and follow the signs for the A59 towards Preston. After you have come up the hill, you will approach a mini-roundabout where the Hesketh Arms pub is situated. Go straight on at the mini-roundabout and follow this road (New Hall Lane) for approximately one mile until you see Buckingham Bingo on your left-hand side. Turn left just after Buckingham Bingo onto Adelaide Street, take the next left onto Cranborne Street and bear sharp right onto Miller Street. Incorez head office, Iotech House, is situated on the right hand side; visitor car parking is clearly signposted.
